- I promise to conduct myself to the standards of a Catholic school student athlete, by being a good example to my teammates, by not bullying, bad-mouthing and using inappropriate language.
- I promise to be a positive reflection of St. Mary Star of the Sea by displaying good sportsmanship regardless of the game result.
- I promise to use only positive verbiage or language when addressing my teammates on both teams and any officials involved in the game.
- I promise to avoid any confrontations with any players, officials or parents/fans regardless of the situation or the game result.
- I promise to be committed to the team by attending practices and games to the best of my ability.
- I understand that my playing time will be determined by my attendance at practice and games and my attitude towards others while attending practices and games.
- I also understand that every game presents itself different/difficult and there will be times that the game is out of reach for my skill level and that if I do not play at all its because my coach doesn't want me to get hurt or that I have missed too many practices to understand the "plan" of my coach.
- I will remember that this is ONLY a recreational league and that too much aggression may result in me sitting out for a period of time.
- I also understand that playing sports at St Mary's is a privilege and not a right that can be taken away pending my behavior at school as well.
- Lastly, I understand that if I fail to comply to this contract, may result in me being suspended or removed from the team for a period of time or for the rest of the season.
